WORLD OF CONTROLS
FOR TURBINE CONTROLS & MORE!

WE COVER THE WORLD

SUPPORTING 100+ COUNTRIES & COUNTING...!!!

Our Company

Extending Life of Current Systems

World of Controls is one of the industry's leading Supply & Solutions companies for **genuine OEM GE Speedtronic & GE Excitation** replacement parts.

We support GE Gas Turbine end-users and operators around the world with our extensive inventory of **GE Mark VIeS, VIe & VI - GE Mark V & LM- GE Mark IV - GE Mark II - GE Mark I & GE Excitation - EX2000, EX2100 & EX2100e parts**, all of which carry our **24 Months Warranty**.

A key benefit to our customers is Extending Life of Current Systems. A true option to the significant cost of system upgrading when it's not required.

In addition to parts supply, we have a fully integrated technical facility, equipped with live panel technology to provide **Test - Repair - Rebuild services**. Your repaired components will come with a **full 12 Months Warranty**.

Power Generation Companies

WOC supports both public and private sectors as well as captive power generating companies and IPPs in maintaining their turbine control systems effectively and efficiently

Oil and Gas Services: On & Offshore

World of Controls supports National and International groups apart from private companies operating rotating equipment to maintain and replenish their assets at required intervals

Miscellaneous Industries

WOC has been supporting various industries like Mines, Container Terminals, Fertilizer, Sugar, Steel, Aluminium and Paper to maintain their Industrial Control systems by providing both Supply and Repair Services

Industries We Serve

www.worldofcontrols.com
FOR Turbine Controls & MORE!

Our World of GE Speedtronic, GE Excitation & GE LCI

- ★ Most effective stock of GE Speedtronic & GE Excitation cards/parts
